# Poly Sync 60-M Microsoft Teams Certified Speakerphone

Every person. Every word. Every meeting.

Everyone deserves to hear the whole meeting—loud and clear. Poly Sync 60 USB / Bluetooth® smart speakerphone is perfect for conference rooms. Voices are the focus, not the noise, so no one misses a thing. Fill the room with remarkable sound using powerful twin speakers. And with simple, flexible connectivity options, joining meetings couldn't be easier.

Product image may differ from actual product

Six-microphone steerable array	Full duplex audio	Built with high-performance twin music speakers
The focus stays on conference voices, not background noise, with six-microphone steerable array for echo and noise reduction.	Conversations flow naturally, even with simultaneous talkers overlapping with full duplex audio.	High performance speakers allow users to hear clearly and stay productive.

Adaptive gain control for consistent voice level
Voices come through at a consistent volume, no matter what distance the talker stands from the unit, with adaptive gain control.

Video camera connects with USB pass-through
Connect a USB video camera to get both audio and video with one single cable.

**Talker-tracking visual location indicators**
Talker-tracking, visual-location indicators reassure it's the talker's voice being heard. (must be enabled)

DATASHEET
